

PRODUCT: All Standard Solutions 6 items**Warranty:**

All Ansell goods are fully guaranteed for a twelve month* period from date of receipt. Any product found to be faulty within this period, either by way of workmanship or material, will be repaired or replaced free of charge at the discretion of Ansell

Exclusion to warranty includes: fair wear and tear, wilful damage, misuse, alteration and/or incorrect installation practices and operation.

Under no circumstances will charges for any repair or remedial work, including labour cost or equipment hire, be accepted without prior written consent and agreement from Ansell.

All items must be installed by a qualified electrical contractor in accordance with all relevant regulations and the supplied instructions and operated with full compliance of the product instructions.

Any 'special' products may be subject to different warranty conditions than those applied for standard items. This should be clarified at time of supply by the purchaser.

*In addition to the standard twelve month warranty period, certain products have extended warranty, typically covering the control gear. This is clearly detailed on the relevant product page of the Ansell Solutions 6 catalogue.

Issued October 2010
